Prices valid till 30th June 2017

2016 / 2017 Price List

Thank you for your enquiry into our hunting and fishing trips. Helisika operates from Poronui Station. Poronui was the original liberation site of Sika deer back in 1905. Helisika was formed in the late eighties and has been the leader in wilderness hunting and fishing trips since. We operate four modern helicopters; all are fitted with headsets and intercoms so your pilot can advise you on your block or river. Helisika flies to over 70 private and Forest Park blocks in and around the Kaimanawa, Kaweka and Northern Ruahine areas.

Private Land

- **Maximum of 7 days per booking and minimum of two land fees per booking/night.**
- **Certain Maori Land Trusts do not allow dogs and limit parties to 4 persons so ask when you book if this will affect you.**
- **All April bookings require a \$ 400 non- refundable deposit by the end of November each year. If the booking is cancelled, giving at least 60 days notice the deposit can be transferred to another booking.**
- **With all April bookings, you will pay land fees for the nights you book. Example if you book 7 nights you pay for 7 nights even if you only stay 6 nights.**
- **All other private booking require a \$200 non – refundable deposit paid within 14 days of booking to secure dates. If the booking is cancelled giving 60 days notice the deposit can be transferred to another booking.**
- **Parties have the right to renew their bookings for the same block and dates for the following year. But this must be done immediately after their trip. It's your responsibility to ensure you are rebooked not ours. Failure to do so will mean that the block will go to the next party that book, or that may be on a waiting list.**

- **Prices are per load and include G.S.T and return flight.**
- **Block boundary maps will be provided for all private blocks. It is your responsibility to ensure you know the boundaries and remain in your block at all times. - **Strictly no night shooting or spot lighting. The use of night vision, infrared red or thermal imaging gear is strictly prohibited.**
- **Please remember land fees are for access to the land not for use of the hut, huts are a bonus.**
