2023 / 2024 Price List

Thank you for your enquiry into our hunting and fishing trips. Helisika operates from Poronui Station. Poronui was the original liberation site of Sika deer back in 1905. Helisika was formed in the late eighties and has been the leader in wilderness hunting and fishing trips since. We operate four modern helicopters; all are fitted with headsets and intercoms so your pilot can advise you on your block or river. Helisika flies to over 70 private and Forest Park blocks in and around the Kaimanawa, Kaweka areas.
